Montaigne Even when opportunity knocks, a man still has to get up off his seat and open the door.

Desert Dreams

But rather than an affinity of sources, which is always questionable, it is the characteristic procedures common to both that present a strange similarity.

The Practice of the Presence of God

Now she will not miss school for anything because she'd miss Bridges. Father Brown has to engineer Flambeau's escape from the death cell.

Fantastic Four (1961-1998) #8

How much does human breathing contribute to climate change. Look, if the author's goal was to write an average book that talks about suicide and abusive relationships, then in that regards, they have succeeded.
