How to Write Basic Algebra Formulas

A list of these resources is available in Appendix A. At the end of the 17th century few Bible scholars doubted that Moses wrote the Torah but in the late 18th century some liberal scholars began to question his authorship, and by the end of the 19th century some went as far as to claim that as a whole the work was of many more authors over many centuries from BC the time of David to BC the time of Ezra and that the history it contained was often more polemical rather than strictly factual.
