Narcissist and His Children: Parental Alienation Syndrome at Its Finest (Transcend Mediocrity Book 177)

If, at the end of my film, audiences have the feeling of having supported, escorted, a character who is both a stranger and someone close, to have gone astray with Elsa rather than having watched someone go under, then I will have the feeling that I have succeeded. John Morris.

The nine essays collected in the volume draw upon cultural and especially literary production in order to understand the ways in which artists and writers, often themselves formed in a bourgeois social environment, have represented the character, the mission and, increasingly, as we move down the decades, the shortcomings of this class from unification to the beginning of the twenty-first century. They were so intense, you could walk through them!.
