## **Elements of Mineralogy**

One of the problems I discovered is a complete inconsistency of names; urban localities can be called city, town, urban-type settlement, townlet, and a number of other variations I encountered as. This simple visual peaked curiosity and incited a constructive competition that resulted in greater attention and MDG-focused action.

## **That Diamond is something Serious**

Nature had endowed him with a peculiar modesty always on stilts, and with a hero-wor- shipping faculty beginning perhaps too often at home; and in addition she gave him the same gift she gave to his fellow countryman, Callot, that of seeing things at once in their true and in their grotesque lights. The third point is that while human being and Buddha stand thus as thoroughgoing opposites-the being filled with afflicting passions and lacking any goodness that might lead toward enlightenment, on the one hand, and the Buddha freely exerting the power of wisdom-compassion, on the other-deep mind arises as a unitary awareness out of the interaction of being and Buddha.
