The Best Ever Book of Central African Jokes

The reason I really enjoyed this more than other thrillers that have recently been published is the fact that the twist isn't dependent on the supernatural theme; you know pretty much going into it what to expect there, but what you don't expect is how it is crafted over the course of the book to produce that precise AHA moment that we've all come to love.

Day Trade: The Comprehensive Guide to Trading Psychology, Money Management, & Tips to Trade like a Pro (Trading Series Book 1)

My heart was moved by the stories of others who have come through horrific ordeals in their life, still waiting for their Spring to break forth, waiting for healing to come, and justice to be served. Now Zelda is branching out of just the typical jewel case - the CD is in a cardboard sleeve.
