It's not that I don't like FL, I really did, i just think its not as good an example of what the series is like if you trying to figure out whether or not this series is for you since it takes place in the world, but is not technically a Dark Hunter book since the main hero is not one. On that last paragraph I have been trying to get a response from the people behind TVP about the above the idea of open sourcing but I have yet to hear anything back, I have tried reaching out to them directly through their website and through social media.
